**Directions:**

The Declaration of Covenants requires that you submit to the Covenants Committee for approval all proposed exterior additions, changes or alterations to your house and lot. In order to be considered by the Covenants Committee your application must include detailed information describing the proposed change (typically, plans and specifications including sketches, photos, catalog illustrations, etc. showing the nature, kind, shape, color, dimensions, and materials; and a copy of the survey with the location marked). **Make sure your application is complete.** An application submitted without all required submissions will be considered incomplete. In such case, the Covenants Committee's review period will not commence until all required submissions have been provided. Other exhibits may be requested to permit adequate evaluation of the proposed change. If you have any questions regarding the required submissions or the application process, you are advised to seek guidance from SFMC Inc. prior to submission of an application.

Describe all proposed improvements, alterations, or changes to you lot or home. Please provide required details by attaching sketches, drawings, clippings, pictures, catalog illustrations, and a copy of your house location survey (recorded plat) with the location of the modification marked, etc. to fully describe the proposed change.
